Profit Guidance for Unaudited Financial Results for Third Quarter And Nine Months Ended 30 September 2015

The Board of Directors of Leader Environmental Technologies Limited (the “Company”, and its subsidiaries, collectively, the “Group”) wishes to inform shareholders and investors of the Company that, based on the preliminary review of the unaudited financial results for the financial period ended 30 September 2015, the Group is expected to report a significant loss for the third quarter ended 30 September 2015 (“3Q2015”).

The loss was mainly attributable to impairment on investment in associate, and trade receivables and advances to trade suppliers written off in 3Q2015. There were no such impairment and write-offs in the same corresponding period of last year.

Further details of the Group’s financial performance will be disclosed when it finalises and announces its unaudited financial results for the third quarter ended 30 September 2015 on or before 13 November 2015.

In the meantime, shareholders and investors are advised to exercise caution when dealing in the shares of the Company.
